 **Beaufort**
COLLECTION

UK Mainland Edition

January 1st - July 31st 2023

OUR NEW IMPROVED BATH COLLECTION

Ultra-strong, superior quality, yet affordable.

After more than 3 years of research and development, with a major investment in the latest technology, equipment and production facilities, **Eastbrook is proud to introduce Beaufort**, our new improved collection of exceptional baths.

Named after the Beaufort wind force scale used by the Met Office for the shipping forecast, each new line is named after a sea region around the British Isles. Relating to the strong winds and fair weather conditions in these regions, the new Beaufort collection combines the lightness

and warmth of acrylic with the strongest and best insulating materials available, to deliver the perfect bath.

With many of us spending more time at home than ever before, bathing and its restorative contribution to wellbeing and relaxation is ever more relevant. Now is the time to invest in a superior bathing experience with a new Ultra-Strong Beaufort bath. It will revitalise your bathroom space and provide the warmth and comfort you need for that long therapeutic soak.

Storm Proof. 5mm.

Ultra Strong. Ultra Warm.

Eastbrook has sold over a million baths. Through working closely with showrooms, plumbers, installers, and end-users, we have developed a thorough knowledge about what people want from their bath. The Beaufort range is the culmination of our technical and market experience combined with our practical knowledge and understanding of what a bath fitter requires.

Following a comprehensive research study, we established there was a market need for a quality acrylic bath range with Ultra-Strong attributes yet positioned at an affordable price point. This resulted in a major investment with leading UK bath manufacturer Hartford Holdings Group. Together we have developed a dedicated UK production facility for the manufacture of our affordable but luxurious 5mm and Ultra-Strong Beauforté bath collection. These are available in a wide choice of bath designs and size options to suit every bathroom space.

The Beaufort bath collection continues to build on Eastbrook's hard-won reputation for exceptional products, exceptional stock, and exceptional service.

A Wave Of British Quality That Lasts

MADE IN THE UK

BEST IN CLASS MANUFACTURING

Following the best British manufacturing standards and technical innovation, Beaufort baths are manufactured in the UK with skill and precision.

All Beaufort baths are manufactured from 5mm Asterite sanitaryware grade cell cast acrylic sheet. As a result of the acrylic being cast the colour is all the way through the material rather than a top surface layer. Each bath is vacuum formed on the very latest vertical vacuum forming machines that are capable of zone heating the acrylic prior to moulding to ensure not only an even form every time but an ability to control the material thickness as it is drawn into the tool.

Storm proof standards

Following the finest traditions of British craftsmanship and technical innovation, the Beaufort line is manufactured to extracting standards meeting EN198, CE EN14516:2015 CL1 PH standards. The production moulds have been created using one of the fastest and most accurate Computer Numerical Control (CNC) systems available to machine the best quality solid aluminium bath moulds that have been milled to tolerances of 10 micrometres. Regulated temperature controls and integrated vacuum chambers ensure that each bath formed is done so in regimented conditions to ensure the perfect result every time.

Precision moulding

Our precise mould calibration delivers an impossibly silky finish, arguably the best in the market.

The Difference Is Beaufort

GALE FORCE STRENGTH

The materials from which our Beauforté baths are constructed are incredibly strong and hard wearing. This market leading reinforcement process results in a product that is as strong as a steel bath and almost double the strength of a typical acrylic bath. This result gives us a more rigid bath with no movement or flexibility when you shower or bathe.

MAINTAINS WARMTH

The standard 5mm bath is made storm proof by our proprietary fibre and resin mix. The extra reinforcement in the Beauforté adds an additional layer of insulation to the underside of the bath. This means that the warm bath temperature is retained for much longer. A long relaxing soak can be enjoyed with no need to top up with hot water, less wasteful and good for the environment.

EXTRA SUPPORT

Every Beaufort bath comes with the highest specification support system available. This has been specifically designed to handle the extra weight of the Beauforté reinforced baths but is a standard feature across the whole Beaufort range. It has five adjustable legs for precision levelling and robust wall brackets to guarantee maximum rigidity. As a result, maximum rigidity is achieved with no movement from the bath and no problems with sealing.

THE CHOICE OF THE PROFESSIONAL

Eastbrook has been selling baths for over 28 years. During this time, we have spoken to skilled installers every day and we understand that the professional bathroom fitter requires quality products that are easy and quick to install with no customer call backs. The Beauforté range is backed by a full 30-year guarantee against manufacturing faults. We are confident that you will find it's excellence and longevity unsurpassed in the market today.

MANUFACTURER'S WARRANTY

 **Beauforté**

Our Ultra-Strong, Gale Force range.

This fantastic collection of superior quality baths includes the Ultra-Strong Gale Force range, which features the added strength and rigidity of Beauforté.

Whatever the size or shape of your bathroom space, there are a wide choice of bath designs to choose from – all of which offer exceptional value for money.

Our Strongest Bath Solution

Beauforté

HOW DOES BEAUFORTÉ WORK?

Beauforté is an intensive process that adds an Ultra-Strong layer of reinforcement to the underside of each bath. This not only greatly increases the strength of the bath but also increases its heat insulation properties. It results in a bath that is as strong as a steel bath and around **45% stronger than a typical acrylic bath**.

A Beaufort bath reinforced with Beauforté is arguably the strongest and most durable acrylic bath available on the market today. This innovative bath solution offers many other practical advantages – quality design, rigidity, longevity, all combined with an exceptionally silky, warm acrylic finish.

The special layered reinforcement process of Beauforté makes these baths suitable for areas of high-use such as hotels, guest-houses, and large family homes. When fitted with the high specification support system, maximum rigidity and a perfect fit is achieved. The standard 5mm Beaufort line is made 'storm-proof' by our proprietary fibre and resin mix. The Beauforté reinforcement on the Gale Force line adds an extra layer of insulation to the underside of the bath; this means the warm bath temperature is retained for much longer. A long, relaxing soak can be enjoyed with no need to top up with hot water, good for the environment and less wasteful.

Suitable for high use facilities

The special layered reinforcement process of Beauforté makes these baths suitable for areas of high-use such as **hotels, guest-houses, and large family homes**.

Portland SINGLE ENDED

Situated in the mild depths of the English Channel, the Portland sea region is located along the Jurassic Coast, famous for its geology and striking landforms. Named after this area, the Portland bath is a stunning, minimalist bathing solution, available in both single and double ended variants, with or without grips. Featuring a modern angular design with straight sides and a sloping back, the Portland is surprisingly deep, providing a generous, warm, and relaxing bath.

The Portland is available in a wide range of bath sizes and in a choice of thickness - 5mm acrylic or ultra-strong Beauforté, which significantly extends the life of the bath.

PRODUCT FEATURES

- 20 models
- Each available in: 5mm Acrylic & Ultra Strong Beauforté
- Supplied without pre-drilled tap holes or waste fittings
- 440mm depth on all Portland SE models
- Sloping back rest for lumbar support

Portland SINGLE ENDED, TWIN GRIP

Situated in the mild depths of the English Channel, the Portland sea region is located along the Jurassic Coast, famous for its geology and striking landforms. Named after this area, the Portland bath is a stunning, minimalist bathing solution, available in both single and double ended variants, with or without grips. Featuring a modern angular design with straight sides and a sloping back, the Portland is surprisingly deep, providing a generous, warm, and relaxing bath.

The Portland is available in a wide range of bath sizes and in a choice of thickness - 5mm acrylic or ultra-strong Beauforté, which significantly extends the life of the bath.

PRODUCT FEATURES

- 16 models
- Each available in: 5mm Acrylic & Ultra Strong Beauforté
- Supplied without pre-drilled tap holes or waste fittings
- 440mm depth on all Portland SE models
- Twin grips available in 6 colours (**Sold separately**)

Bath Screens

Portland P-SHAPE

Situated in the mild depths of the English Channel, the Portland sea region is located along the Jurassic Coast, famous for its geology and striking landforms. Named after this area, the Portland bath is a stunning, minimalist bathing solution. Featuring a modern angular design with straight sides and a sloping back, the Portland is surprisingly deep, providing a generous, warm, and relaxing bath.

The Portland P-Shape is available in a wide range of bath sizes and in a choice of thickness - 5mm acrylic or ultra-strong Beauforté, which significantly extends the life of the bath.

PRODUCT FEATURES

- 8 models
- Each available in: 5mm Acrylic & Ultra Strong Beauforté
- Supplied without pre-drilled tap holes or waste fittings
- 440mm depth on all Portland SE models
- Wider curved space at one end for showering

Biscay DOUBLE ENDED

Located in the curved gulf where the west coast of France meets the north of Spain, the Biscay sea region is notorious for some of the fiercest weather conditions of the Atlantic Ocean. The robust double ended Biscay bath is reminiscent of this region, with a distinctive rounded end corner surrounded by a 40mm deep ledge. This space efficient bath provides a large bathing area and is 440mm at its deepest point, ensuring a luxurious, comfortable soak.

The Biscay is available in left or right-handed bath variants, and in a choice of 1600x725mm, 1700x750mm, and 1700x800mm. The range is offered in both 5mm acrylic and ultra-strong Beauforté, which significantly extends the life of the bath.

PRODUCT FEATURES

- 12 models
- Each available in: 5mm Acrylic & Ultra Strong Beauforté
- Supplied without pre-drilled tap holes or waste fittings
- 440mm depth on all Biscay DE models
- Curved space saving style with one piece panel

Biscay DOUBLE ENDED, STRAIGHT EDGE

Located in the curved gulf where the west coast of France meets the north of Spain, the Biscay sea region is notorious for some of the fiercest weather conditions of the Atlantic Ocean. The robust double ended Biscay bath is reminiscent of this region, with straight end corners surrounded by a 40mm deep ledge. This space efficient bath provides a large bathing area and is 440mm at its deepest point, ensuring a luxurious, comfortable soak.

The Biscay is a luxury double ended bath which can be matched with square or rounded taps. It's available in sizes 1700x700mm, 1700x750mm, and 1800x800mm. The range is offered in both 5mm acrylic and ultra-strong Beauforté, which significantly extends the life of the bath.

PRODUCT FEATURES

- 6 models
- Each available in: 5mm Acrylic & Ultra Strong Beauforté
- Supplied without pre-drilled tap holes or waste fittings
- 440mm depth on all DE Straight Edge models
- Square edge style bath with great top surface area

Rockall SINGLE ENDED

The Rockall sea region is located off the west coast of Ireland and is where the largest wave ever recorded by a shipping vessel was encountered. The Rockall bath is evocative of this region, in a functional, sturdy, yet stylish design. Comfortably proportioned, this single-ended bath features a modern, angular look and perfectly complements the latest square profile sanitaryware and taps. The back end of the bath is curved for comfort and the silky finish gives it a luxurious appeal.

The Rockall is available in a wide range of bath sizes and in a choice of thickness - 5mm acrylic or ultra-strong Beauforté, which significantly extends the life of the bath.

PRODUCT FEATURES

- 22 models
- Each available in: 5mm Acrylic & Ultra Strong Beauforté
- Supplied without pre-drilled tap holes or waste fittings
- 440mm depth on all Rockall SE models
- Sloping back rest at one end for lumbar support

Rockall SINGLE ENDED, TWIN GRIP

The Rockall sea region is located off the west coast of Ireland and is where the largest wave ever recorded by a shipping vessel was encountered. The Rockall bath is evocative of this region, in a functional, sturdy, yet stylish design. Comfortably proportioned, this single-ended bath features a modern, angular look and perfectly complements the latest square profile sanitaryware and taps. The back end of the bath is curved for comfort and the silky finish gives it a luxurious appeal.

The Rockall is available in a wide range of bath sizes and in a choice of thickness - 5mm acrylic or ultra-strong Beauforté, which significantly extends the life of the bath.

PRODUCT FEATURES

- 22 models
- Each available in: 5mm Acrylic & Ultra Strong Beauforté
- Supplied without pre-drilled tap holes or waste fittings
- 440mm depth on all Rockall SE models
- Twin grips available in 6 colours (Sold separately)

Malin SINGLE ENDED

Malin is the sea region off the rugged Irish north coast, renowned for its strong sea winds, majestic landscapes, and high tides. The strength and clarity of the Malin bath is suggestive of this region, with its minimalist, clean lines, and gently curved back rest support. Featuring narrow ledges on 3 sides, the ultra-modern design of the Malin offers a larger internal bathing space than a deeper-sided bath of the same dimensions.

The Malin is available in both single-ended and double-ended bath variants and in a wide choice of sizes. The range is offered in both 5mm acrylic and ultra-strong Beauforté, which significantly extends the life of the bath.

PRODUCT FEATURES

- 12 SE models
- Each available in: 5mm Acrylic & Ultra Strong Beauforté
- Supplied without pre-drilled tap holes or waste fittings
- 440mm depth on all Malin SE models
- Modern thin rim for maximised bathing space

Malin DOUBLE ENDED

Malin is the sea region off the rugged Irish north coast, renowned for its strong sea winds, majestic landscapes, and high tides. The strength and clarity of the Malin bath is suggestive of this region, with its minimalist, clean lines, and gently curved back rest support. Featuring narrow ledges on 3 sides, the ultra-modern design of the Malin offers a larger internal bathing space than a deeper-sided bath of the same dimensions.

The Malin is available in both single-ended and double-ended bath variants and in a wide choice of sizes. The range is offered in both 5mm acrylic and ultra-strong Beauforté, which significantly extends the life of the bath.

PRODUCT FEATURES

- 12 DE models
- Each available in: 5mm Acrylic & Ultra Strong Beauforté
- Supplied without pre-drilled tap holes or waste fittings
- 440mm depth on all Portland SE models
- Modern thin rim for maximised bathing space

Malin DE shown with Helston bath filler 93.0011

Shannon L-SHAPE

The robust but comfortable single ended Shannon L-Shape Shower Bath is reminiscent of the Malin region, with its minimalist, clean lines along with a wider space at one end of the bath for showering.

This space efficient bath provides a deceptively large bathing area and is 400mm at its deepest point, ensuring a luxurious, comfortable soak.

The Shannon L-Shape Shower Bath is available in left or right-handed bath variants, and in a choice of 1500 x 850mm and 1700 x 850mm. The range is offered in both 4mm acrylic and ultra-strong Beauforté, which significantly extends the life of the bath.

PRODUCT FEATURES

- 8 models
- Each available in: 4mm Acrylic & Ultra Strong Beauforté
- Supplied without pre-drilled tap holes or waste fittings
- 400mm depth on all Shannon SE models
- Wider space at one end for showering

Lundy OFFSET CORNER

Located off the Southwestern coast of England, the Lundy Sea region includes some of Great Britain's finest Coastlines. Stretching from the shores of Cornwall, Devon, and Somerset; to the westerly tip of Wales.

Designed for luxury bathing within a limited space, the Lundy can be installed in the corner of your bathroom so you can relax in luxurious comfort in a smaller bathroom space.

Within the bath is an integrated seating area that provides more options to use this bath to the full. This space efficient bath provides a large bathing area and is 420mm at its deepest point, ensuring a deep, comfortable soak.

Available in left & right-handed variants of 1500x1040. The Lundy is offered in both 5mm acrylic & ultra-strong Beauforté, which significantly extends the life of the bath.

PRODUCT FEATURES

- 4 Offset Corner models
- Each available in:
5mm Acrylic & Ultra
Strong Beauforté
- Supplied without
pre-drilled tap holes or waste
fittings.
- 420mm depth on all

Humber FREESTANDING

The Humber is the largest coastal plain estuary on the east coast of Britain and drains a catchment area of 20% of the total land surface of England. Classified as a macro-tidal estuary because of the large tidal ranges, at its widest point the Humber Estuary is 14km across.

Named after this significant geographical area, the Humber bath offers a wonderful bathing area, giving comfort and space for all. Available as a double ended freestanding bath, the engineered white skirted option has straight sides yet a natural incline at each end to give maximum relaxation to all bathers. The Humber is available in two sizes 1800x800 and 1700x755.

PRODUCT FEATURES

- 2 models
- Available in:
4mm Acrylic Beaufort
- Supplied without
pre-drilled tap holes or
waste fittings
- 410mm depth on all Humber
Freestanding baths
- 25 years warranty
- Waste and overflow items
Sold Separately

Whirlpool Baths

A Whirlpool system transforms your Beaufort bath into a truly relaxing space to escape reality and unwind from the comfort of your own home.

At Eastbrook Bathrooms we offer a **6 Jet Whirlpool Bath & Aquair System** for specific baths in the Beaufort range. The jets feed water into the bath at pressure to offer an invigorating spa like bathing experience.

About Aquair:

Aquair are a family-owned business that uses koller systems in assembling their wellness systems. Koller has specialised in water and whirlpool systems for almost 45 years. It was one of the first enterprises in the world to apply Whirlpool technology in bathtubs.

Pump Information:

The pumps used on the Eastbrook Whirlpool Bath System have a line voltage of 220-240V 60Hz, input of 0.85 HP 0.65KW, output of 0.45KW and a flow rate of 210 litres per minute. **2 Year Warranty on all systems.**

RIGOROUSLY TESTED FOR DAILY USAGE

System Benefits:

- Powerful, reliable and silent pumps
- Anchored securely on the adjustable legs
- Compact dimensions allow for space saving installation
- Robust and durable in design

Safety & Testing:

Eastbrook whirlpool baths are one of the only whirlpool systems in the UK that have an electrical safety testing certification that complies to British standards and tests. Each system is tested for Electro Magnetic Frequency and Electro Magnetic Compatibility to ensure it complies with certification standards. **Tested and certified to EN 12764:2004+A1:2008**

High Quality Components

The whirlpool bath components are produced by specialists in whirlpool design and technology. They are fitted with flexible pipe work, which is smooth and doesn't retain water but strong enough to withstand any sagging.

Quality Assured

Each whirlpool bath is factory tested and approved and for absolute peace of mind we test each one under normal working conditions for 30 minutes and then a 30 minute standing period.

All our whirlpool systems include 'child safety suction' and are tested to BS EN 12764:2004+A1:2008.

Whirlpools

Hand Finished With Care

We have a dedicated factory with passionate personnel to fit our systems. Staff are trained at the facilities to master specific processes and have their own service van fleet to give our customers pieces of mind.

Factory Installed & Tested

Each whirlpool bath is built in-house to manage volumes and achieve the best quality possible. Independent water stations have been installed to guarantee customer a one hour testing period before purchase.

Bespoke Whirlpools

Pages: 94 & 95

For those want to create their own unique bathing experience that's perfect for your body. Your bespoke creation will be hand-built using high quality materials, by our teams of skilled technicians.

Single LED Light

One LED light that can change between seven colour settings. Colours: White, Cyan Blue, Green, Yellow, Red, Magenta & Dark Blue.

In Line Water Heater

Heat the water during the whirlpool cycle to improve relaxation and bathing time by compensating for natural heat loss.

Ozonator (not suitable for Airspa)

Removes harmful bacteria during the whirlpool cycle for added hygiene.

Bluetooth Connection

Play music through your bath by connecting it via Bluetooth music streaming devices.

Electronic Upgrade

Removes pneumatic switch and replaces it with an electronic control pad (includes low water sensor).

**Warranty On
All Systems**

Bespoke Whirlpools

Airspa Systems

Air bubbles are released into the water producing a gentle, calming massaging fizz.

Eastbrook Website

Our new 'Coming Soon' page is now live!

Coming Soon
January 2023 • Brochure Issue 47
[Click To See More](#)

We want our customers to know when our new products are soon to be available in the latest Eastbrook brochure and also when you can officially sell without delay. Every brochure launch; we will be uploading items to this page, allowing you to plan ahead for the future.

Eastbrooks 'Web Clearance' section has never been easier to navigate.

CLEARANCE
HUGE DISCOUNTS ON SELECTED PRODUCTS
[CLICK TO SEE MORE ->](#)

We are moving more and more end of line products exclusively to the web. This allows all users to view live stock availability, while looking for great savings when completing a customer's bathroom sale.

Our monthly 'Product Focus' page is also live!

LAMBOURNE
NEW LAMBOURNE RADIATORS
[CLICK TO SEE MORE ->](#)

Each month we'll be focusing on a different new Eastbrook product to help get to know our new items and what their stock levels are looking like. With Radiators, we take pride having a single product image at your finger tips for every size and every colour we sell.

Eastbrook Co Terms & Conditions

We deliver all goods on our own dedicated transport fleet to ensure a speedy and problem-free service, however, in the unlikely event that goods are delivered wrong or damaged, it is the responsibility of the customer to ensure sufficient time is allowed for a replacement to be sent.

1. DEFINITIONS

In these terms and conditions, the following words shall have the following meanings:

'Buyer' shall mean any person, Eastbrook or company, to whom Eastbrook supplies Goods or Services or with whom Eastbrook enters into negotiations for the supply of Goods or Services.

'Eastbrook' shall mean Brian Michael Douuss and Nicolas Brian Douuss (each a "Partner" together the "Partners") trading as "Eastbrook Co." or "Woodstock".

'Goods' shall mean products, articles or things which are supplied by or which are the subject of negotiations for supply by Eastbrook to the Buyer.

'Services' shall mean services are supplied by or which are the subject of negotiations/ or supply by Eastbrook to the Buyer.

2. MAKING THE CONTRACT

Eastbrook's salesmen are not authorised representatives and are not authorised to accept confirm or vary any order nor to make any representation or promise on Eastbrook's behalf

2.2 Any estimate/quotation which comprises an invitation to treat is open for a period of 30 days only from the date thereof, provided that Eastbrook has not previously withdrawn it. Any order issued by the Buyer is subject to acceptance by Eastbrook and a contract will only be formed when Eastbrook has accepted the Buyer's offer to buy in writing. Any offer made by the Buyer must be confirmed in writing by the Buyer.

2.3 All orders are placed under these terms and conditions alone.

2.4 These terms and conditions exclude any other terms and conditions inconsistent therewith which a Buyer might seek to impose even though such other terms and conditions may be submitted in a later document and/or purport to exclude, supersede any terms or conditions with them or may be contained in any offer acceptance or counter-offer made by the Buyer.

2.5 No variation of these terms and conditions is permitted unless expressly accepted by a Partner of Eastbrook in writing.

3. CANCELLATION

3.1 No cancellation by the Buyer is permitted except where expressly agreed by a Partner of Eastbrook in writing.

3.2 The Buyer will in the event of agreed cancellation by the Buyer indemnify Eastbrook fully against all expenses incurred up to the time of such cancellation together with by way of liquidated damages a sum of 33 1/3% of the contract price which shall be paid by the Buyer to Eastbrook Forthwith.

4. PRICE

4.1 All prices quoted are those ruling at the date of dispatch or supply.

4.2 Unless otherwise stated all prices quoted are nett, exclusive of VAT, and in the case of Goods ex works.

4.3 Eastbrook reserves the right at any time prior to delivery of the Goods or supply of Services to adjust the price to take account of any increase in the cost of raw materials, labour or services or any currency fluctuations affecting the cost of imported materials or services.

5. TERMS OF PAYMENT

5.1 All sums become due and payable under these terms and conditions not later than 14 days from date of invoice.

5.2 Time for payment shall be of the essence.

5.3 The Buyer shall have no right to set off, statutory or otherwise.

5.4 If the Buyer (being a Company) has a petition for its winding-up or passes a resolution for voluntary winding-up otherwise than for the purpose of a bona fide amalgamation or reconstruction or compounds with its creditors or has a receiver appointed of all or any part of its assets or (being an individual) becomes bankrupt or insolvent or enters into any arrangement with its creditors or commits a material or serious breach of this Agreement (and in the case of such a breach being remediable fails to remedy it within 7 days of receiving notice to do so) he will be deemed to have repudiated the Contract.

5.5 Eastbrook reserves the right at any time at its discretion to demand security for payment before continuing with or delivering any Order, supplying any Goods or Services.

6. DELIVERY

6.1 Delivery will be deemed to have been effected when the Goods are ready for collection at the premises of Eastbrook or as the case may be the premises of the suppliers to Eastbrook in circumstances where the Goods are delivered direct from such suppliers.

6.2 Time of delivery is not of the essence.

6.3 Eastbrook shall not be liable for any loss whatsoever or howsoever arising caused by its non-delivery or by the failure to make Goods ready for collection on the due date.

6.4 Eastbrook reserves the right to make delivery by instalments and to tender a separate invoice in respect of each instalment.

6.5 When delivery is to be by instalments or Eastbrook exercises its right to deliver by instalments under clause 6.4 hereof or if there be delay in the delivery of any one or more instalments for whatever reason this will not entitle the Buyer to treat the contract as repudiated and/or to damages.

6.6 Deviations in quantity between the Goods delivered and Goods ordered representing not more than 10 per cent by value shall not give the Buyer any right to reject the Goods or to claim damages and the Buyer shall be obliged to accept and pay at the contract rate for the quantity of the Goods delivered.

7. SUPPLY OF SERVICES

7.1 Time for the supply of Services is not of the essence.

7.2 Eastbrook shall not be liable for any loss whatsoever or howsoever arising caused by its failure to supply Services or any part thereof on the due date.

7.3 Eastbrook reserves the right to supply Services by instalments and to tender a separate invoice in respect of each instalment.

7.4 When the supply of Services is to be by instalments or Eastbrook exercises its right to supply Services by instalments under clause 7.3 hereof or if there be a delay in the supply of any one or more instalments of Services for whatever reason this will not entitle the Buyer to treat the contract as repudiated or to damages.

7.5 Deviation in the quantity between Services supplied and the Services ordered representing not more than 10 per cent by value shall not give the Buyer any right to reject the Services or to claim damages and the Buyer shall be obliged to accept and pay at the contract rate for the quantity of the Services supplied.

8. RISK AND THE PASSING OF PROPERTY IN GOODS

8.1 Risk in the Goods shall pass to the Buyer when the Goods are delivered.

8.2 Notwithstanding risk in the Goods passing in accordance with clause 8.1 hereof title in the Goods shall not pass to the Buyer until whichever shall be the first to occur of the following:-

8.2.1 payment being received by Eastbrook for the Goods and Services and no other amounts then being outstanding from the Buyer to Eastbrook in respect of other Goods or Services supplied by Eastbrook

8.2.2 the Buyer selling the Goods in accordance with the provisions of these terms and conditions in which case title to the Goods shall be deemed to have passed to the Buyer immediately prior to delivery of the Goods to the Buyer's customers; and

8.2.3 Eastbrook waiving its rights under this clause 8.2 in respect of specified Goods or Services whereupon title to the said Goods shall forthwith vest in the Buyer.

8.3 The Buyer is licensed by Eastbrook to use or to agree to sell the Goods

delivered to the Buyer subject to the express condition that the entire proceeds of any sale are held in trust for Eastbrook and are not mixed with other moneys or paid into an overdrawn bank account and shall at all times be identifiable as Eastbrook's moneys.

8.4 Until title to the Goods passes:

8.4.1 The Buyer will hold the Goods as fiduciary agent and bailee for Eastbrook;

8.4.2 The Goods shall, subject to clause 8.3, be kept separate and distinct from all other property of the Buyer and of other parties and in good and substantial repair and condition and be stored in such a way as to be clearly identifiable as belonging to Eastbrook;

8.4.3 Eastbrook may at any time revoke the power of sale and use contained in clause 8.3 by notice to the Buyer if the Buyer is in default for longer than 14 days in the payment of any sum whatsoever due to Eastbrook (whether in respect of the Goods or any other Goods or Services supplied at any time by it to the Buyer) or if Eastbrook has bona fide doubts as to the solvency of the Buyer;

8.4.4 The Buyer's power of sale and use contained in clause 8.3 shall automatically cease if the Buyer has a petition presented for its winding-up or passes a resolution for voluntary winding-up otherwise than for the purpose of a bona fide amalgamation or reconstruction or compounds with its creditors or has a receiver appointed of all or any part of its assets or becomes bankrupt or insolvent or enters into any arrangements with creditors or takes or suffers any similar action in consequence of debts or carries out or undergoes any analogous act or proceeding under foreign law;

8.4.5 upon determination of the Buyer's power of sale and use pursuant to clause 8.4.3 or clause 8.4.4, the Buyer shall place any of the Goods in its possession or under its control and unsold at the disposal of Eastbrook and Eastbrook shall be entitled to enter upon any premises of the Buyer for the purpose of removing such Goods.

8.5 Eastbrook shall at any time be entitled to appropriate any payments made by the Buyer in respect of any Goods or Services in settlement of such invoices or accounts in respect of such Goods or Services as Eastbrook may in its absolute discretion think fit notwithstanding any purported appropriation to the contrary by the Buyer.

9. LIEN AND STOPPAGE

9.1 Until such time as the title in the Goods has passed to the Buyer Eastbrook has the right to withhold delivery if the Buyer (being a Company) has a petition presented for its winding-up or passes a resolution for voluntary winding-up otherwise than for the purpose of a bona fide amalgamation or reconstruction or compounds with its creditors or has a receiver appointed of all or any part of its assets or (being an individual) becomes bankrupt or insolvent or enters into any arrangements with creditors or takes or suffers any similar action in consequence of debts or carries out or undergoes any analogous act or proceedings under foreign law.

9.2 When the title in the Goods has passed to the Buyer and the time for payment has failed due but payment has not been made or if the Buyer (being a Company) has a petition presented for its winding-up or passes a resolution for voluntary winding-up otherwise than for the purposes of a bona fide amalgamation or reconstruction or compounds with its creditors or has a receiver appointed of all or any part of its assets or (being an individual) becomes bankrupt or insolvent or enters into any arrangements with creditors or takes or suffers any similar action in consequence of debts or carries out or undergoes any analogous act or proceedings under foreign law Eastbrook has

9.2.1 a lien on the Goods so long as Eastbrook is in possession of them

9.2.2 a right of stoppage in transit

9.2.3 a right of resale

9.3 For the avoidance of doubt it is hereby declared that nothing in this clause shall affect the rights given to Eastbrook by ss.38-48 of the Sale of Goods Act 1979.

10. INSPECTION/SHORTAGES

10.1 The Buyer is under a duty to inspect the Goods forthwith on delivery and satisfy himself as to the due performance of Services forthwith after supply.

10.2 Eastbrook shall be under no liability for any defects or shortages that would be apparent on careful inspection if the terms of this clause are not complied with, and, in any event will be under no liability if a written complaint is not delivered to Eastbrook within 7 days of delivery or supply detailing the alleged defect or shortage.

10.3 In all cases where defects or shortages in respect of Goods are complained of Eastbrook shall be under no liability in respect thereof unless an opportunity to inspect the Goods is given to Eastbrook before any use is made thereof or any alteration or modification is made thereto by the Buyer.

10.4 Subject to clauses 10.2 and 10.3 Eastbrook shall make good any defect or shortage in the Goods any where appropriate replace any Goods damaged in transit as soon as it is reasonably able to do so, but otherwise shall be under no liability whatsoever or howsoever arising from such defect, shortage or damage.

10.5 Subject to clause 10.4 Eastbrook shall remedy any defect in the supply of Services as soon as it is reasonably able to do so but otherwise shall be under no liability whatsoever or howsoever arising from such defect

11. WARRANTY

11.1 No representation or warranty is given as to the suitability or fitness of the Goods or Services for any particular purpose and the Buyer shall satisfy himself in this respect and shall be totally responsible therefore

11.2 If the Goods are in such a state or the Services so defectively supplied as would but for this condition entitle the Buyer to repudiate the contract and/or claim damages from Eastbrook Eastbrook reserves the right to repair or replace the Goods or perform the Services (or the relevant part thereof) again.

12. LIABILITY

12.1 Introduction

12.1.1 Nothing in this clause 12 shall be deemed to exclude or restrict Eastbrook's liability for death or personal injury resulting from Eastbrook's negligence.

12.1.2 Each of the sub-clauses in this clause 12 is to be treated as separate and independent.

12.1.3 Eastbrook is willing to undertake liability additional to that provided by this clause 12 in exchange for a higher price.

12.2 Exclusion

12.2.1 Eastbrook agrees that if any defect caused by faulty design, manufacture, materials or workmanship is discovered during the period of 3 months commencing with the date of delivery or supply, Eastbrook will remedy any defect at its own expense or, in the case of Goods, if it chooses to do so, replace them. Defects caused by abnormal use, misuse, neglect or willful or accidental damage are not covered by this clause.

12.2.2 The Buyer cannot claim the benefit of clause 12.2.1 above unless: he informs Eastbrook of the relevant defect in writing within 7 working days of discovering it; and

in the case of Goods, he returns the Goods to Eastbrook at his own expense.

12.2.3 The risk of accidental loss whilst any Goods are being returned to Eastbrook will be borne by the Buyer.

12.2.4 Notwithstanding clause 12.2.1 above, if the manufacturer of any Goods has provided any guarantee of such Goods for a period longer than three months (a "Manufacturer's Extended Guarantee"), Eastbrook shall use its reasonable endeavours to transfer to the Buyer the benefit of any such Manufacturer's Extended Guarantee in respect of the Goods, provided that Eastbrook may in its absolute discretion elect to do so only at the cost of the Buyer.

12.2.5 Any Manufacturer's Extended Guarantee is for the Buyer only who must complete a return and registration form within 30 days of purchase. Manufacturer's Extended Guarantees are not transferable to third parties and do not cover previously installed products such as ex show room displays. Failure to complete and return a registration form to Eastbrook within the 30 day period will result in the guarantee on such Goods being limited to that stated in clause 12.2.1 above.

12.2.6 Manufacturer's Extended Guarantees cover Goods which are used for normal domestic use only and are not applicable to Goods which are used for commercial use (i.e. hotels, residential homes, leisure facilities etc.).

12.2.7 In the event that a manufacturer of Goods providing a Manufacturer's

Extended Guarantee pursuant to clause 12.2.3 above ceases trading and/or no longer honours such guarantee, Eastbrook shall have no liability whatsoever to the Buyer with respect to such Manufacturer's Extended Guarantee.

12.2.8 If the benefit of a Manufacturer's Extended Guarantee is transferred to the Buyer, subject always to clause 12.2.1 above and further subject to the defect not being as a result of fair wear and tear, Eastbrook shall only be liable to provide replacement parts. For the avoidance of doubt, Eastbrook excludes any consequential costs involved in the fitting of such parts. Furthermore, with respect to the following these additional terms are applicable:

Perishable components such as non-glass or metallic parts (e.g. plastic parts, seals, wheels etc.) are excluded from a Manufacturer's Extended Guarantee.

Shower and bath screens: Glass and seals for such products are excluded from a Manufacturer's Extended Guarantee.

Towel rails and radiators: Such products must be individually earthed when installed for a Manufacturer's Extended Guarantee to apply.

12.2.9 If, in the sole opinion of Eastbrook, the Goods which are the subject of the Manufacturer's Extended Guarantee have been modified, misused or neglected or have been willfully or accidentally damaged, Eastbrook shall not be liable under the Manufacturer's Extended Guarantee for the failure of the Goods.

12.2.10 No claim under a Manufacturer's Extended Guarantee will be accepted if Goods have been installed with a fault that would have been clearly visible before installation. A Manufacturer's Extended Guarantee does not cover any Goods which have been modified, altered, transformed or relocated in any way.

12.2.11 Claims under a Manufacturer's Extended Guarantee must be made by the Buyer within [7 working days] of the defect being discovered.

12.2.12 In consideration for receiving the benefit of this clause, the Buyer agrees that, apart from those terms set out in clause 10 and 11, all other terms, whether conditions, warranties or innominate terms, express or implied, statutory or otherwise, are excluded from the contract between Eastbrook and the Buyer to the extent permitted by law (except where the Buyer deals as consumer within section 12 of the Unfair Contract Terms Act 1977 when the terms implied by sections 13, 14 and 15 of the Sale of Goods Act 1979 shall be implied into the contract).

12.3 Exclusion of Consequential Loss

Eastbrook shall not be liable for any consequential or indirect loss suffered by the Buyer whether such loss arises from breach of a duty in contract or tort or in any other way (including loss arising from Eastbrook's negligence) including, without limitation to the generality of the foregoing:

- loss of profits;
- loss of contracts;
- damage to property of the Buyer or anyone else; or

personal injury to the Buyer or anyone else (except so far as such injury is attributable to Eastbrook's negligence).

12.4 Limitation
Eastbrook's total liability for any one claim or for the total of all claims arising from any one act or default of Eastbrook (whether arising from Eastbrook's negligence or otherwise) shall not exceed the contract price of the Goods.

13. FORCE MAJEURE

13.1 Eastbrook shall not be liable for any failure to deliver the Goods or perform the Services arising from circumstances outside Eastbrook's control.

13.2 Non-exhaustive illustrations of such circumstances would be act of God, war, riot, explosion, abnormal weather conditions, fire, flood, strikes, lockouts, Government action or regulations (UK or otherwise), delay by suppliers, accidents and shortage of materials, labour or manufacturing facilities.

13.3 Should Eastbrook be prevented from delivering the Goods or performing the Services in the above circumstances, it shall give the Buyer written notice of this fact as soon as reasonably practicable after discovering it.

13.4 If the circumstances preventing delivery of the Goods or performing the Services are still continuing three months after the Buyer receives Eastbrook's notice, then either party may give written notice to the other cancelling the contract.

13.5 If the contract is cancelled in this way, Eastbrook will refund any payment made on account of the price (subject to deduction of any amount Eastbrook is entitled to claim from the Buyer) but Eastbrook will not be liable to compensate the Buyer for any further loss or damage caused by the failure to deliver the Goods or perform the Services.

14. SALES PROMOTION DOCUMENTATION

Whilst Eastbrook takes every precaution in the preparation of its catalogue, technical circulars, price lists and its other literature, these documents are for the Buyer's general guidance only and the particulars contained therein shall not constitute representations by Eastbrook and Eastbrook shall not be bound thereby.

15. USE OF DATA

15.1 If the Buyer provides any data relating to the business of the Buyer to Eastbrook for any purpose, then the Buyer agrees that Eastbrook may hold such data and use it in relation to the supply of Goods, to process payment and to inform the Buyer (including all its staff) of other Goods or Services that Eastbrook may offer from time to time. Eastbrook will hold all data relating to the Buyer in accordance with our privacy policy and privacy statements in force from time to time and which is available on demand.

15.2 The Buyer agrees that Eastbrook may share any data referred to in clause 15.1 with third parties only where it is necessary for the provision of the Goods or Services supplied by Eastbrook and further that the Buyer shall hold Eastbrook harmless for the misuse of such data by those third parties.

15.3 In relation to any data supplied by the Buyer to Eastbrook regarding the Buyer's customers, the Buyer warrants and represents that they have obtained consent to share such data with Eastbrook (whether this relates to remedial services or the replacement of Goods or otherwise) and the Buyer agrees to indemnify and keep indemnified, Eastbrook from and against any losses, damages, liability costs (including legal fees) and expenses incurred by Eastbrook as a result of or in connection with the Buyer's breach of this Clause.

16. NOTICES

Any notice to be given hereunder shall be in writing and shall be deemed to have been given if sent or delivered to the party concerned at its address specified overleaf or such other address as that party may from time to time notify in writing and shall be deemed to have been served, if sent by post, 48 hours after posting.

17. ASSIGNMENT

Neither Eastbrook nor the Buyer shall assign or purport to assign or transfer the contract or the benefits thereof to any other person without prior written consent of the other.

18. SEVERANCE

18.1 If any provision of this contract (or part of any provision) is or becomes illegal, invalid or unenforceable, the legal validity and enforceability of any other provision of the Contract shall not be affected.

18.2 If any provision of the contract (or part of any provision) is or becomes illegal, invalid or unenforceable but would be legal, valid and enforceable if some part of it was deleted, modified, or the provision or part-provision in question shall apply with such deletions or modifications as may be necessary to make the provision legal, valid and enforceable. In the event of such deletion or modification, the parties shall negotiate in good faith in order to agree the terms of a mutually agreed amendment provision.

19. PROPER LAW AND JURISDICTION

The Contract shall be governed by and construed in accordance with English law and all disputes arising in connection with the contract shall be submitted to the jurisdiction of the English Courts.

20. HEADINGS

The headings of these conditions are for convenience only and shall have no effect on the interpretation thereof.
